

PowerPoint Country Research Project

Create a PowerPoint slide show about one of the countries or territories of North America and present your project to the class.

You must use at least two print resources (Book, encyclopedia, magazine, newspaper, etc.)

You must use at least two online (Internet) resources

You must give credits for all sources used (even pictures)

That is, Where did you get this information?

Search engines (i.e., Google, Bing, Ask, etc.) are NOT sources!

Include a **Title Slide** with:

Your country's name,

Your first and last name,

The name of your class/period

The name of your school,

The date completed

Include 8 to 12 slides

Use spelling and grammar check

Include:

Map of the country, including location of the capital city

Picture of the country's flag

The country's National Anthem
